ER 83- 6148

20 December 1983

NOTE FOR: NIO for Science and Technology
FROM: Executive Assistant to the DDCI

The DDCI appreciated your comments and agrees with all of your recommendations. Would you please take the lead in implementing them and let us know periodically how they are coming. You might also want to suggest to the DDI that some of these concerns be reflected in its research program, where appropriate.
